Auction Success!

The popular Signature Dishes of Sebago Lake buffet was held in conjunction with our Live & Silent Auction on the grounds of St. Joseph's College. Over 125 people enjoyed the five-course spread of specialties from area restaurants, caterers, candy makers and other Chamber members.

Chamber member Diane Hancock (Windham Schoolage Child Care) and her band, Overboard, provided terrific entertainment with their solid blend of oldies music throughout the evening.

Bidding for a good cause at the Sebago Lakes Chamber of Commerce annual Live & Silent Auction. Sheri Huff of Lee Family Trailer Sales was a spirited auctioneer, assisted by Executive Director Barbara Clark and event sponsors Laurie Noel of Cross Insurance and Chris Williams of Clark Insurance.

The 10th annual event successfully met its fundraising goal, in support of the Chamber's business programs and community activities.

President's Report

I can't believe that another three months has passed and summer is behind us. We had a wonderful season. The weather was great after a rainy spring and tourism flourished. The Causeway Bridge construction caused minimal disruptions and our businesses seemed happy. The old bridge opened for the last time in mid-September, ending a very long chapter in our region's history. Our annual Live and Silent Auction took place on Sept. 23 and was very successful. Many thanks to all who helped make this possible. On the radar screen is a huge retail event to be held on Saturday Nov. 26. The theme will be Season's Greetings and the idea is to encourage us all to Shop Local. A business expo will be held in conjunction with this event at The Windham Mall. After a brief breather from the summer season we now look forward to the second tourist season, "leaf peeping". Please note that the best foliage can be seen in my back yard. All are welcome and rakes will be provided. I guess that's all for now. Until next time, enjoy the fall season.

Executive Director's Report

Barbara Clark

The clear, cool, comfortable days of Fall are with us! As the leaves begin to turn to crisp shades of gold, orange and red, many visitors continue to come to our Region to enjoy the numerous community activities we have to offer.

Summer tourism was very busy with travelers from all over the world contacting us via visits, phone calls and emails. The weather was a bonus for us this season, and many first time visitors came to enjoy our abundant natural resources and relaxed pace of life.

September 17th was the "End of an Era" for the Songo River Queen II as it traveled

from its berth on Long Lake through the Causeway swing bridge into Brandy Pond, then into the Songo River for its last turn though the Songo Locks. The boat was filled with local residents and visitors who toasted the Queen's final run with champagne. The boat received a warm round of applause from those gathered at the swing bridge to take pictures of her last passage before the bridge was closed for good.

Construction of the new fixed span bridge is underway, with completion slated for 2012.

Our 10th annual Live and Silent Auction and Buffet dinner event enjoyed a new venue this year on the grounds of St. Joseph's College, under expansive white tents. Funds raised at the auction support many business and community programs we plan or participate in during the year. We thank all the Chamber business

members who sponsored this event, donated items, prepared and served food, attended and placed bids, and volunteered numerous hours planning and participating in this signature event. In the end, with your help, we met our budget and recorded another success for the Chamber.

Our Retail Committee is hosting a local business forum on October 12th to plan for a town-wide Season's Greetings Celebration on Sat., November 26th. The multi-location event will feature our region's diverse businesses that sell outstanding products and provide quality service, conveniently located close to home. If you would like to help us create this exciting 'Shop Local' event, please contact us at 892-8265.

Fall is typically a time of cleaning out and closing up camps and de-cluttering our homes and businesses

as we get ready to settle in for winter. As you are doing so, please remember our upcoming Naples Chinese Auction, Sun, December 4th, which benefits the Naples Resource Council and Food Pantry. You may drop off new or gently used items such as toys, games, household goods, knickknacks, office supplies, recreational equipment, etc. at the Chamber office, or contact us to have larger items picked up.

Please forward your business news to us for publication in this quarterly newsletter or our bi-monthly e-reports for time-dated announcements. Use your Chamber communication channels to keep your business 'front & center' with your peers. When they feel they know you or your business, they're more likely to do business with you. Thank you for shopping local and keeping your hard-earned dollars working for our regional economy.

Each room at Alyssa's has a picture window with water views over beautiful Thomas Pond. The rooms have all been recently redecorated so guests are sure to feel comfortable and relaxed.

If you have family members or guests visiting, a stay at Alyssa's would give them the opportunity to do some bass fishing or enjoy a calming canoe ride on Thomas Pond, using our canoe. Guests have seen deer, loons, jumping

fish and families of turtles sunning on rocks. If you have a boat you would like to bring to use with your guests, our dock can accommodate your boat at no extra charge. There's plenty of parking for boat or snowmobile trailers, and a nice grassy lawn next to the water, for summer picnics and family-friendly activities.

For a fee, Alyssa's Motel will work with a guide service, www.fatbass.com on guests' behalf. Guests can be picked up dockside and taken out to fish the waters of Thomas Pond for a half or full day. Other arrangements can be made if guests prefer to meet their guide elsewhere, such as at Sebago Lake, Long Lake, or other fine fishing areas that our region has to offer.

Alyssa's Motel is convenient to Migis Lodge, Point Sebago RV and Golf Resort, Sebago Lake State Park, Tassel Top Beach, the Naples Causeway with its many fine restaurants, and Bridgton for antique shopping. We're within 45 minutes of tax-free shopping in North Conway, in the White Mountains of New Hampshire.

For seasonal pricing and reservations, please visit our wonderful website, www.alyssasmotel.com. Each unit has a picture, price and description under "rooms/rates" so they can easily be viewed from anywhere in the world.!
