I am the Chamber's Executive Director. My goal is to help local businesses increase their visibility, marketability, productivity and business volume. Working with an energized and committed Board of Directors, each year brings positive change and growth for our Chamber on many fronts.

Hundreds of businesses in the Sebago Lakes Region currently benefit from membership in our Chamber. We invite you to consider joining us and invest in your success by participating in broad-based efforts to strengthen and support all of our business partners.

Please take a few moments to review our materials and contact me if you have any questions or ideas about how we can work together to maximize your business promotion strategies.

Sincerely,

Aimee G. Senatore
